### 10-34-0

## Ammonium Polyphosphate Solution

<u>Component</u>	<u>Analysis</u>
Nitrogen Content as NH <sub>3</sub>	10% N
Phosphate Content	34% P <sub>2</sub> O <sub>5</sub>
- Polyphospahte Form	26% P <sub>2</sub> O <sub>5</sub>
- Orthophospahte Form	8% P <sub>2</sub> O <sub>5</sub>
Specific Gravity	1.4
Density *	11.7 lbs/gal
Volume/Ton	171 gal/ton
pH	6.0 - 7.0
Salt-out Temperature	0°F
Color	green or greenish yellow

*\* 1 gallon of 10-34-0 contains 1.14 lbs of nitrogen and 3.96 lbs of P<sub>2</sub>O<sub>5</sub>.*

The information set forth on this data sheet is believed to be accurate. As Prescription Agronomics, LLC. purchases products and ingredients from multiple suppliers and manufacturers, certain characteristics may vary slightly. We trust in our suppliers to provide an adequate quality material for fertilizer use. Prescription Agronomics, LLC. makes no representation, warranty or guarantee as to the information's accuracy other than that of the nutrient analysis. This information is set forth to assist our customers for nutrient content, storage, handling, etc.. The user assumes all risk of use and handling whether or not in accordance with directions or suggestions. Always check compatibility with other products prior to use. Always wear personal protective equipment when handling chemicals.
